

ARTHUR TRACY VICK,
Petitioner,

v.

UNITED STATES OF AMERICA,
Respondent.

This matter is before the court on petitioner's 28 U.S.C. § 2255 motion. (DE # 101.)

Because petitioner has previously filed a § 2255 motion, he filed a motion for authorization from the Court of Appeals to file a second or successive § 2255 motion. On 22 July 2016, the Court of Appeals denied that motion. Accordingly, this court is without jurisdiction to review the § 2255 motion, and it is **DISMISSED WITHOUT PREJUDICE**. The court finds that petitioner has not made "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2). Pursuant to Rule 11(a) of the Rules Governing Section 2255 Proceedings, a certificate of appealability is **DENIED**.
